Thanks Katrina – It seems you are missing 5 organic SDGs. I attached the inorganic SDGs shipped under a different case number. Did you receive the one drive for these SDGs?

I will start working on the organic SDGs you are missing and let you know when they are ready.

Hello Katrina – As per our discussion this morning, please check the attached table and let me know which SDGs were not sent to the OneDrive. There are only two SDGs that have water samples, F9L37 and F9L96.

Take care.
